

Ordinarily no extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged therein at 9 per cent per annum.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in, shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale excluding the ten per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase, will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Note.—Along with this sale, the timber belonging to the purchasers of previous sales who have defaulted to pay up their purchase moneys in full, as per Rule 7 of the sale notifications, will also be resold for the recovery of the Government dues, if before the present sale dates of the respective Depots; the purchasers fail to remit their dues to the treasury and produce treasury challans.

K. REVANNA,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 28th January 1929.

The attention of the public is invited to the notification calling for tenders for the supply of rations to the Forest Department Elephants of Shimoga Forest Division published in page 145, Part VI, dated 31st January 1929 of the *Mysore Gazette*.

H. V. RANGASWAMI IYENGAR,
District Forest Officer.

SAGAR DIVISION.

Notice dated 4th February 1929.

It is hereby notified for the information of the public that no room in the Jog Travellers' Bungalow will be reserved for the use of the public from the 6th to 13th instants (both days inclusive) as the whole Bungalow is under repairs and is required for use otherwise.

B. MADHAVA RAO,
District Forest Officer.

BANGALORE DIVISION.

Dated 4th February 1929.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 19th February 1929, for completing the work of constructing a new tank at Bhaktrahalli Village, Doddaballapur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1930.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M. on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

3. (a). Percentages less or above estimated rates will not be accepted.

4. Each tender must be accompanied by a deposit of rupees three hundred only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for completing the work of constructing a new tank at Bhaktrahalli" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

N. LAKSHMINARASIMHAIA,
Executive Engineer.

MYSORE RAILWAYS.

MYSORE DIVISION (OPEN LINES).

Notification dated 2nd February 1929.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Open Line Division, Mysore Railways, Mysore, up to 2 P.M. on the 16th February 1929 from contractors who are willing to undertake the work of widening banks and providing ballast walls on Nanjangud Chamarajnagar Railway.

2. Every tender should be accompanied by an earnest money of Rs. 100 which can be paid either in currency notes to the Executive Engineer, Mysore Railways, Mysore along with the tender; or can be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender; such of the tenderers who pay the amount to the Auditor should advise him that the amount is paid on account of a tender for the above work.

(a) Tender should be submitted in special forms which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on payment of Re. 1.

3. The earnest money of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of.

4. Tenders which are not accompanied with the earnest money specified in para 2, will not be considered.

5. The successful tenderer should execute within a week from the date of notification of acceptance of his tender, the usual Railway Schedule Agreement. Failure to comply with this condition will render the tenderer liable for forfeiture of the earnest money.

6. The name of the accepted tenderer will be posted on the Notice Board of the Executive Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be replied.

7. The final acceptance of the tender will rest with the Engineer-in-Chief. Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reason therefor, any or all the tenders.

8. Work should be started within a week from the date of acceptance of tender, and a uniform monthly rate of progress should be guaranteed. The work agreed on should be completed in four months from date of starting. The accompanying schedule gives the approximate quantity of work and this quantity is not guaranteed.

9. The time limit specified in para 8 should be strictly adhered to and any violation of this will render the contractor liable to forfeit his 5 per cent deposit amount under Clause No. 10 of the Schedule Agreement, not as a penalty but as ascertained and liquidated damages recoverable accordingly.

10. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Engineer-in-Chief will be final and legally binding.

Schedule.

No.	Description of work	Unit	Quantity
			Rs.
1	Earthwork widening banks by ballast trains with hard gravel from cuttings. (Exclusive of ballast train charges).	1,000 c.ft.	127,000
2	Earthwork widening banks by burrow pits	Do	328.52
3	Building rough stone ballast walls with selected stones from cutting stuff and after hammer dressing them.	Do	12,000

M. RAMAIA,
Executive Engineer.
